

Scholarship Application

Art scholarships are awarded to those students the Grace Art Department identifies as having exceptional abilities and the potential to be creative leaders in the department. Art Talent Scholarships can be awarded in amounts of \$500–\$4000 and are renewable each year providing the artist is in good standing. Current Grace art students are also eligible for consideration based on work produced at Grace. To apply for an art scholarship:

1. Fill out this **APPLICATION**.
2. Have a person who knows you and your art abilities submit a **RECOMMENDATION**. This would normally be your art teacher. Give them the enclosed form **with a stamped envelope addressed to Grace** so they can return the form **directly**.
3. Submit a **PORTFOLIO**. See enclosed sheet for the portfolio requirements. (Students applying for entrance into the illustration major can use that portfolio to apply for a scholarship.)

WE BEGIN AWARDING SCHOLARSHIPS on February 1 before the fall semester of desired admission. You cannot be considered for a scholarship until we receive all three parts. Applications received after February 1 are subject to remaining availability.
