From Tammy’s Heart

I just got back from the AACC (American Association of Christian Counselor’s) Conference. It was amazing! Speakers included Larry Crabb, Dan Allendar, H.B. Londen, Stormy O’Martin, Tony Evans and the list goes on. The worship time (with some country flair) was up-lifting, spectacular, and spiritually encouraging. It was wonderful to be there with about 20 Grace students and alumni. I loved seeing alumni and catching up on their lives. Several mentioned, “Wouldn’t it be great if alumni met at the bi-annual AACC for a dinner?” I think this is a grand idea. Consider the possibility. We could have a mini-reunion, at the AACC conference while being filled up with great teaching and worship times!

I’d like to update you with a major event has happened in my life. One of the greatest projects I have ever been a part of is now in print! A colleague from the seminary, Roger Peugh (he is presently teaching our prayer and counseling class) and I recently completed a book on prayer and counseling. There are chapters on the essence of prayer, the gist of true Christian counseling, suffering, waiting, the need for supportive prayer teams for counselors, burn-out, etc. Check it out online at http://www.bmhbooks.com/. I’d love to hear your responses!

I pray that each of you are growing and stretching and that you have a team of people who are caring and praying you on. Stop by when you get a chance. You remember the address, don’t you?!

Prayerfully,

Tammy
