Alumni Updates

Babies, babies, & more babies! What in the world? 😊

The Holabecks: Dave, Trish [Woods] (MA 2002/2006) & Asia welcomed Austin David Holabeck on March 12th, 4:18 AM at 8 lbs, 3 oz & 21 in. long. “Mommy and baby are doing very well. The plan was to induce, but Trish actually went into labor as soon as we got to the hospital. Labor and delivery went very quickly, so we were quite thankful to have already been at the hospital. The pediatricians have done some thorough inspections of Austin, and all agree that he is quite healthy and there are no complications!!!!!!!! Currently, we are at Lutheran Hospital in Ft. Wayne, but will be heading back to Dave's parents' house in Warsaw early Friday morning (Mar. 21).” E-mail address: holabecks@mac.com

Kyle & Crystal Gingerich [current graduate student] made the trip to California to be present for the birth of their newly adopted daughter, Kinsey Monique Sue Ann Gingerich, born April 24th, 7lbs. 10oz and 21” long. Congratulations Kyle & Crystal!!!

Scott and Deanna (MA '02) Greene have recently moved to Buffalo, New York where Scott is ministering to children and their families as the Director of King's World at The Chapel. Deanna continues to enjoy being a stay at home mom and building into the lives of Aaron (5) and Isaac (1). Prior to the move, she felt blessed to also work at Warsaw Community Church's Care and Counseling Center as a part-time counselor. The Greene family can be contacted at 6961 Mourning Dove Lane, Niagara Falls, NY 14304 deanna.greene@earthlink.net

Jonathan [current graduate student] & Lucretia Homes (right) welcomed the arrival of their first child, Lucia Irene Homes on born June 5th at 5:55 AM at Goshen General Hospital, weighing 7lbs 3oz, and 19” long. She has a full head of dark hair & of course proud papa Jonathan knows that she is the cutest girl in the world! I’m sure that we’ll agree!

Ryan & Christi [2006] Felabom (left) also have a new bundle of joy to announce! It’s pretty incredible to think about how God orchestrates all of this and to have a child being nit together.” Ryan Felabom! Welcome Gideon
Felabom!!! Here is one of my favorite pictures... Check out there web gallery.

Matt & Angel [1998] Thompson... In 2004 my husband, Matt and I founded OASIS to reach out to this community and beyond. Since that day when we started with 6 families, OASIS now reaches out to more than 100 families in the Wayne, Ashland, Holms Counties, over 50 countries and all over the United States. Our desire is to continue being a voice for our families and children who live with Autism everyday, to bring hope, support and encouragement when life seems dark. Angel S.

Thompson Co-Founder, Executive Dir./OASIS
www.oasisautism.org
OASIS is a 501(c)(3) non profit corp. registered with the state of Ohio, and is affiliated with AUTISM LINK

Jesse & Dawn (Fry) [2001] Lorenzo... Hannah Sophia Lorenzo was born on December 6th 2007. She is such a joy and blessing to our family. Jesse will be in Bagdad, Iraq for six months. It is uncertain of how his days will play out while he is there and if he will have time to attend a church service. I hear that soldiers are kept busy day and night throughout the week. Please pray for wisdom and discernment in what he is doing and that the Lord will comfort and protect him while he is out in the desert.

Let’s remember to keep these families in our prayers!

Do you have an update that you would be willing to share with us? Feel free to send any family or personal pictures (via e-mail or postal service – let me know if you want them back) and current information to Christina Dulworth (info. listed at the bottom).

• Please sign this petition urging the Citizens’ Stamp Advisory Committee to approve the United States Postal Service issuance of a stamp promoting Mental Health Awareness.

• On-line Classes: Some online Graduate School courses will become available beginning Fall 2009. Be watching for more updates throughout the next year!
A special welcome to Dr. Scott Edwards as he will be joining the Grace College Graduate School as a full time faculty member Fall 2008. Here is a little bit about Scott...

Dr. Scott Edwards earned his undergraduate degree in psychology from Anderson University. He completed a Master’s degree in Counseling and Ph.D. in Counseling Psychology from Ball State University. After returning to Indiana from Minnesota where he trained in Child Clinical Psychology and Pediatric Neuropsychology at the University of Minnesota Medical School, he completed a postdoctoral fellowship in Neuropsychology at Associate in Mental Health in Muncie. Dr. Edwards has taught adjunct at the community college level and been on the undergraduate faculty of Indiana University Kokomo and Taylor University. He comes to Grace with nearly 20 years experience in the mental health field and has held posts in community mental health centers, church and university based counseling clinics, hospitals, youth treatment centers, and private practice. He currently serves children and families through his private practice—Lighthouse Family Counseling—in Kokomo. Scott has been married for 15 years to Sabrina. Sabrina is a stay-at-home mom and uses her Business Management and Accounting degree to keep the books for Lighthouse, their church, and for some aging individuals in difficult circumstances. They have three children, Nathan who is 12 years old, Jessica who is nearly six years old, and Eli who is four years old. They currently live in Kokomo where they attend Morning Star Church. Dr. Edwards stated, “I have been so deeply blessed through interactions with folks during the selection process; it has felt more like a family reunion than first and second introductions. So, my heart is quickened with the thought of being part of the Grace community. I am eager to join with you next Fall in serving our good God through the ministries at Grace.”

From Tammy’s Heart

Greetings!

Dear favorite Alumni,

April has almost arrived and the nip in the air in the grand town of Winona Lake feels a little like my beloved Winterpeg, Manicolda.

In June, I am looking forward to taking our cross cultural clan to the Ukraine. We will be assisting in a crisis pregnancy center, a center for folks with disabilities, helping kids in an orphanage, seeing the post Soviet world, and devouring some delicious Ukraine food.

Deb Musser has joined our faculty team. She is completing her second year in her doc program and teaching with us. It is great to hear her laughter down the hall.

One of the favorite parts of my week centers around writing a book on healing from sexual abuse with Hannah Hermiz. Beyond Desolate is the culmination of my work with survivors of sexual abuse. Our prayer is that this book is a work of art, appealing to all the senses, including lyrics from songs, poetry, passages of Scripture, the latest research, stories. Our desire is that it is hopeful, helpful, wise for clients and therapists alike, and our Father is pleased. I’ll let you know when it is hot off the presses!

I’d love to hear how you are doing. Drop me a line or stop by so we can grab a cup of chai and chat.

Prayerfully,
Tammy

JOBS!!!

Remuda Ranch is in need of therapists!
It is difficult to find Christian therapists and right now we are in need, at both facilities, Virginia and Arizona. If you would like more information you can go to www.remudaranch.com. I highly recommend Remuda Ranch. It is a great organization to work for and if anyone desires to work with woman, especially woman with eating disorders this is the place. I am also pretty sure there is a sign-on bonus. Also, because I know the quality of graduates that come from Grace, please make sure that all Grace College graduates uses me as a referral.

Thank you, Christi Felabom MA, LAC, Program Therapist, Rio, Remuda Ranch Treatment Centers, One East Apache Street, Wickenburg, AZ 85390

The Otis R. Bowen Center for Human Services, Inc. is a non-profit comprehensive community mental health center licensed by the Indiana State Division of Mental Health.
