FULLY ONLINE MASTERS IN

ATHLETIC ADMINISTRATION

It Takes a Team to Build a Team
In sports, championships do not just happen. Before the first player ever puts on a uniform, another team has already taken the field. From the athletic director to team administrators to support staff, it takes a well-oiled machine working behind the scenes to create winning athletic programs.

Affordable
Earn your Master’s degree for $9,900 (2017-2018 pricing)

Convenient
- Fully online and enrollment is fully open, which means all classes are offered throughout the school year and during the summer
- No graduate record examination required

Practical
- Class projects based on practical applications and athletic situations
- Work at your own pace
