Bethel College Mission

ACCREDITATIONS
The ADN program at Bethel College is fully accredited by the Indiana State Board of Nursing and the Accrediting Commission for Education in Nursing (2643 Peachtree Road NE, Suite 850, Atlanta, GA 30309, 404-973-5600, www.acenursing.org).

Bethel College, affiliated with the Missionsary Church, is a Christian community of learners dedicated to building lives of commitment for leadership in the Church and the world. Bethel provides liberating academic and co-curricular programs to challenge the mind, enrich the vision, and equip the whole person for lifelong service.

Bethel offers Nursing programs in cooperation with Grace College in Winona Lake, Indiana.

Grace College Mission
Grace College is an evangelical Christian community of higher education which applies biblical values in strengthening character, sharpening competence, and preparing for service.

Degrees

ASSOCIATE DEGREE IN NURSING (ADN)
The ADN program prepares men and women in a Christian atmosphere for careers as registered nurses. Upon successful completion of the program, an associate degree in nursing is granted. Graduates may apply to take the National Council Licensure Examination (NCLEX-BSN) to earn licensure as registered nurses.

PROGRAM FORMAT
The ADN program consists of 74 hours of course work including:
- 35 hours of nursing courses
- 18 hours of general education
- 13 hours of general education courses

The ADN program may be completed in two years for full-time students. Students must complete the nursing courses within five years. A physical examination, immunizations, criminal background check, drug screen, and completion of a CPR course are required prior to beginning clinical courses.

The Bethel College nursing program thoroughly prepares students to be effective in their fields and highly desired by employers. Due to the rigor required in the program, many students find it helpful to distribute their studies over three years, allowing them one year to work on general studies and nursing at Grace College before officially entering the Bethel nursing program hosted by Grace College.

A student taking courses at Grace College prior to entering nursing only needs admission to Grace College for their first year.

To continue studies in the Bethel College nursing program, students must be accepted by the School of Nursing prior to their second year. Students may live on the Grace College campus while pursuing the ADN.

BACHELOR OF SCIENCE IN NURSING (BSN)
Pending ACEN approval, a Bachelor of Science in Nursing degree may be offered.

BN SEARCH PROGRAM
The Bachelor of Science in Nursing completion program is intended for those who have an Associate Degree in Nursing (ADN) license and want to pursue a BSN degree. The program's design allows students to complete it while maintaining employment in nursing. More information about the BSN completion program may be obtained by contacting the Bethel College School of Nursing.

Requirements*
- Acceptance as a student to Bethel College.
- Graduation from high school or GED composite score of at least 50.
- An overall GPA of at least 2.7 (on a 4.0 scale) and ranking in the upper two-thirds of one's high school graduating class.
- SAT scores of at least 500 (critical reading & writing) and 510 (math) or ACT scores of at least 21 (English & reading) and 19 (math) or comparable scores as specified by the School of Nursing.
- Completion of the School of Nursing application with an essay on "Why I Want to Be a Nurse."
- Subject to change. Admission is granted based on criteria at the time of application.

What We Offer
In order to accommodate the growing number of students interested in nursing as a major field of study, Grace College has partnered with Bethel College from Mishawaka, IN, to offer nursing degrees. Bethel College's nursing graduates have a strong history of passing the state board examination on the first attempt, qualifying for licensure as registered nurses.

Students complete liberal arts classes, including general education and biblical studies classes, under the guidance of Grace College professors. At the same time, they have the opportunity to study nursing with Bethel College nursing professors on the Grace College campus.
