our mission

Grace College is an evangelical Christian community of higher education which applies biblical values in strengthening character, sharpening competence, and preparing for service.

application procedures

Once your completed application and high school and/or college transcripts have been received in our Admissions Office, your application for admission to Grace College will be complete and will be finalized by the Admissions Committee (Grace College reserves the right to request additional information if needed). The Admissions Committee will provide notification regarding the status of your application. If you have any questions, contact the Grace College Admissions Office at 1-866-974-7223.

Transfer students should submit college transcripts for all higher education institutions attended in order for an admissions decision to be made. While transfer students are not required to submit high school transcripts, doing so may aid the Admissions Committee in making a decision.
