

CHURCH MATCHING AGREEMENT

_____(Church Name) referred to hereafter as the Church, agrees to participate in the Grace College Church Matching Grant Program. This program provides sponsoring Churches with means of encouraging and assisting students to attend Grace College. Churches are eligible regardless of denomination or affiliation. Agreements will automatically be renewed annually by Grace College unless other arrangements are requested. Guidelines are as follows:

1. The Church agrees to submit a Recipient Roster of student(s) awarded Church scholarship(s) and the full-year amount of the scholarship for each student to Grace College Office of Financial Aid by **August 1st** of each year.
2. Grace College will match the Church scholarship dollar for dollar up to \$500 (\$250 per semester) per student per academic year. Students must be registered as full-time, undergraduate students and be in academic good standing to receive the matching funds.
3. Any unused Church funds for the academic year will be returned to the Church by March 1st. Funds are not transferable to any other student without prior arrangements being made with Grace College.

When administering the scholarship program, sponsoring Churches need to be aware of IRS regulation Section 170 (c)(2)(B and C) proscribing contributions that flow through charitable organizations to specified individuals.
