System Requirements for General Moodle Use

Moodle

Operating System: Windows XP SP3, Windows Vista, Windows 7, Mac OS X 10.6 or higher

Browser: Internet Explorer 8, Firefox 14, Google Chrome 20, Safari 5, Opera 9

- Mozilla Firefox works best with Moodle. Other browsers may be used, but may not support all functionalities in Moodle, such as online quizzes and the HTML editor.

- You may need to add an exception for your Moodle website to your browser's pop-up blocker. It is also recommended to disable any pop-up blockers in third party toolbars that may be installed in your browser.

Internet Connection: Dialup (load times may be lengthy), DSL, Cable
- For the best user experience a DSL, cable or faster internet connection is recommended.

Additional Requirements: Updated Versions of Adobe Reader & Adobe Flash Player
