Department Purpose & Mission

With a simple phrase, "Let there be light," God created the world, and with breath from His lungs, He gave humans life, purpose, and the capacity for language. We believe that sustained study of communication in all its forms—linguistic, written, verbal, creative, etc.—enhances our understanding of our Creator, our world, and ourselves. The Department of Languages, Literature, and Communication comprises three academic programs: the English and Journalism Program, the Communication Program, and the Modern Languages Program.
English and Journalism Program

Recognizing that God is the creator of language, Grace's English and Journalism Program seeks to deepen students' understanding of the complexities and creative potential of language. Our English curriculum is designed to acquaint students with a wide variety of literature and interpretive approaches, and to enhance students' critical thinking, research, and communication skills. The journalism major and minor are intended for those who wish to develop writing and editing skills for use in print, broadcast, and digital media. Both the English and journalism majors provide opportunities for practical, hands-on experience through involvement with our campus newspaper, literary magazine, and other publications, as well as off-campus internships and applied learning experiences.

The English and Journalism Program offers a major in English, a major in English education, a major in journalism, a minor in English, a minor in creative writing, and a minor in journalism. We also offer a minor in TESOL (Teaching English to Speakers of Other Languages), and a linguistics minor.

**Modern Languages Program**

The purpose of the Grace College Modern Languages Program is to equip individuals to serve Christ in a global community. Program goals include helping students to communicate effectively in another language, gain knowledge and understanding of other cultures, and live intentionally as global citizens. These goals are supported by our integrative approach to language learning, which emphasizes authentic language environments and cultural as well as linguistic knowledge. In addition to courses from the beginning to advanced levels, we offer a number of co-curricular opportunities for language development and, for language majors, an immersive study abroad component to enhance language learning.

**The Study Abroad Program**

Grace's Study Abroad Program requires qualified language majors to study abroad. Through this cross-cultural, immersive language experience, students become more proficient speakers while learning to appreciate other cultures. They are placed with a host family, participate in the life of a local church, and are enrolled in some of the world's best-known universities, with whom Grace has transfer and credit agreements. By signing a language pledge, students commit to speak the target language throughout their experience and therefore attain near-native fluency by the end of the program. With the help of the Director of Global Initiatives and the modern languages faculty, students select a program of study covering a wide variety of areas and disciplines in the target language.

Language majors may satisfy their study abroad requirement by taking courses at the following approved member universities:

- STA 0400 *Universidad de Belgrano* – Buenos Aires, Argentina
- STA 0460 *Universidad Antonio de Nebrija* – Madrid, Spain
- STA 0640 *Latin American Studies Program* – San José, Costa Rica
- STA 0430 *Université de Bourgogne* – Dijon, France
- STA 0540 *Université Laval* – Quebec, Canada

Students typically register for 16–18 credit hours during a fall and spring semester and 12 credit hours during a summer term.

Students can participate in the following programs for languages not offered on campus (Chinese, Korean, Arabic, Hungarian, German, etc.).

- STA 0620 *Middle East Program*
- STX 3000 *South Korea Exchange*
- STA 0560 *Sommerhochschule of the Universität Wien* – Vienna, Austria
- STX 4000 *Károli Gáspár University of the Reformed Church in Hungary* – Budapest, Hungary

For further information regarding current member institutions and courses offered, please contact the Modern Languages Program Director or Director of Global Initiatives. Study Abroad Program locations and institutions are subject to change, based upon availability.
Language students are required to take the Oral Proficiency Interview (OPIc) to evaluate their proficiency in their target language. For students in the language education program, the minimum level for graduation is Advanced Low.

**Bachelor of Arts Language Requirement**
The Bachelor of Arts degree requires that students demonstrate proficiency in a single language. This may be accomplished in the following ways:

- Students complete two courses (6 credits) in a single modern or ancient language (e.g., Spanish, French, Hebrew, Greek, or any language currently offered through Go Study or Go Exchange). Students with prior language instruction and/or strong language skills may take the online Foreign Language Placement Exam (FLPE) to determine in which course level to enroll.

- Students who place into the 2020-level of a language (e.g., SPA 2020) based on the online Foreign Language Placement Exam (FLPE) may contact the Modern Languages Program Director and arrange to take the department exam. The fee for the department exam is $120. Students who score in the "Intermediate Mid" level on the department exam may receive credit for 2010 (3 credits), and enroll in 2020 (3 credits) to satisfy the B.A. language requirement. Students wishing to pursue this option should schedule the department exam within the first four weeks of their first semester at Grace College and Seminary.

- Students who place beyond the 2020-level of a language (e.g., SPA 2100) based on the online Foreign Language Placement Exam (FLPE) may contact the Modern Languages Program Director and arrange to take the department exam. The fee for the department exam is $120. Students who score in the "Intermediate High" level on the department exam may receive credit for 2010 and 2020 (6 credits), thereby satisfying the B.A. language requirement. Students wishing to pursue this option should schedule the department exam within the first four weeks of their first semester at Grace College and Seminary.

- Students may earn language credits based on their Advanced Placement (AP) language exam score. Students with a score of 4 or 5 on an AP language exam receive credit for 1020 (3 credits) and enroll in 2010 to satisfy the B.A. language requirement.

**Foreign Language Placement Examination (FLPE)**
Students with previous language experience in Spanish or French should complete the Foreign Language Placement Examination (FLPE) prior to arriving on campus. There is no cost for the placement exam. Go to [https://webcape.org/nwcregister.php](https://webcape.org/nwcregister.php). Select "Grace College" on the drop-down menu, type in "Lingua" as the password, select "French" or "Spanish" as the language, complete the short survey, and begin the examination. Each question is selected based on previous responses and the test is usually completed within 30 to 45 minutes. *Please note that the online Foreign Language Placement Exam (FLPE) is a placement exam only; no credits will be awarded based on the FLPE.*

**Department Exam**
Students who place into or beyond the 2020-level on the Foreign Language Placement Examination (FLPE) may contact the Modern Languages Program Director to arrange to take the department exam, which is the ACTFL OPIc. Unlike the FLPE, the department exam is a credit-bearing exam that tests oral proficiency. The fee for the department exam is $120. Students who score in the "Intermediate Mid" level on the department exam receive credit for 2010 (3 credits). Students who score in the "Intermediate High" level receive credit for 2010 and 2020 (6 credits). Students who score below the "Intermediate Mid" level on the
department exam receive no credits. Students must schedule the department exam within the first four weeks of their first semester at Grace College and Seminary.

**CLEP Examination**

CLEP Examination Credits may not be used to satisfy the B.A. language requirement. Students who complete a foreign language CLEP exam will receive general elective credit that will count toward overall credits needed to graduate.

**International Students and Foreign Transfer Credits**

Students who have received the equivalent of a high school diploma in a country in which the primary language is other than English may be granted the language requirement for a B.A. through transfer credits. In order to receive the 6 transfer credits, students must submit the foreign high school transcript to the Modern Languages Program Director for approval.

Communication Program
The Communication Program aims to promote an awareness of the complexities of the human communication process, to assist in the refinement of communication skills, and to encourage the free and responsible use of communication abilities and mediums. The study of communication is especially recommended for students who are considering occupation as a communication specialist at any size or type of organization, or in preparation for graduate work. The major is also beneficial for those considering work in public relations, management, human resources, missions, journalism, counseling, marketing, consulting, law, media communications, personnel management, or ministry.

Communication majors take a common 39 credit communication core designed to expose students to both the theories and techniques of modern communication, and prepare them for communicative competency with a wide array of mediums including public relations, digital communication, html/internet communication, and both written and spoken communication. Other intentional competencies include argumentation theory and persuasion.

The second area of courses taken by each major consists of 9 hours of electives to be chosen from courses offered or approved by the department.

Lastly, all communication majors take a variety of repeatable workshop experiences designed to let students apply and hone their communication skills in an on-campus setting. Each semester-long workshop earns 1 applied learning credit. Two workshops are required to graduate from the communication major. The communication major may be pursued as part of a B.A. or B.S. degree. A minor is required.

INTERDISCIPLINARY STUDIES MAJOR

Housed within the Department of Languages, Literature, and Communication, the interdisciplinary studies major effectively allows students to create their own major with a total of 54 credit hours. Students in this major will integrate a variety of disciplines as part of their work at Grace College in pursuit of either a B.A. or B.S. degree. Students will graduate with knowledge that spans the curriculum yet is tailored to fit specific interests. Designed to promote creativity, original problem solving, and greater curriculum flexibility, this unique major requires completion of 15 credits in each of three curricular areas with the goal of synthesizing these areas into a unifying interest. The resulting integration will culminate in a substantial senior project and related internship. Students must have a 3.0 GPA and successfully complete a curriculum proposal and interview process to be eligible for admission into the program. Students who are in good academic standing following their first year of study at Grace may apply for acceptance into this major. A minor is not required. For more information and sample curricula, contact the Interdisciplinary Studies advisor, Dr. Lauren Rich.
