

Position Announcement

Position:	Report to:
Physical Science Instructor, Part Time	Department Chair, Science & Mathematics

Grace College invites applications and nominations for an **instructor position in the physical sciences**. Responsibilities include teaching and conducting laboratories based on department needs and enrollment demands.

[Grace College](#) is a Christ-centered Liberal Arts College informed by pietist and evangelical traditions. Located in the resort community of [Winona Lake](#), near Warsaw, Indiana (36 miles west of Ft. Wayne), Grace College offers 52 academic majors (38 minors). Central to the [mission](#) is developing character, sharpening competence, and preparing for service. Our goal in Christian living and teaching is to make Christ preeminent in all things. The programs of the college, as well as its community lifestyle commitment, are designed to encourage serious academic inquiry, a biblical worldview, spiritual understanding, and social conscience, all in the context of God's grace.

The candidate will be expected to teach various courses within the Science and Math Department, including (a) Physical Science Survey (SCI 1140); and/or, (b) Faith, Science & Reason (SCI 2030) at various times throughout the academic year on an as-needed basis. A successful applicant will display a strong commitment to liberal arts undergraduate education which includes supporting the Department's contribution to Grace's CORE, the Faith, Science, and Reason course. Also, the candidate must continually identify opportunities to integrate faith within classroom instruction in a manner that encourages spiritual growth while also complementing course content. Finally, a successful candidate will have a contemporary understanding of physical science topics based on recent findings and current publications.

Qualifications: This position offers the opportunity to become an adjunct faculty member with the ability to grow professionally under the mentorship of department leads. Position qualifications include:

- a PhD in a physical science discipline (preferred); or, a Master's degree with 18 graduate credits in a physical science
- strong communication skills with a disposition that positively reflects their Christian faith
- a student-centered approach to teaching that blends both active and didactic forms of instruction
- a desire to integrate faith with learning in the classroom; and,
- a willingness to collaborate with colleagues in a constructive manner

Application Process: Applications may be found at www.grace.edu/about/employment/faculty/staff-applications

Review of applications will begin immediately and will continue until the position is filled. The start date for this position is January 2020.

Grace College and Theological Seminary seeks a diverse work environment by encouraging women and minorities to apply.
