GRADUATION REQUIREMENTS: 120 Credits

To receive a degree, each student must satisfy checksheet requirements, earn 120 credit hours, have a GPA of 2.7 overall, and earn a grade of C or better in each cognate and major course. Two or more grades of C- or lower will result in immediate departure from the program. It is the student's responsibility to work with his/her advisor and monitor progress toward these goals. Some majors and/or minors may have more stringent guidelines.

IS A MINOR REQUIRED WITH THIS MAJOR? NO

1. Nursing students are not required to fulfill all of the requirements of the Grace Core, including the Cross-Cultural Field Experience. Nursing students are encouraged (under the guidance of an advisor) to consider auditing Grace Core courses as their schedule permits.
2. All courses are completed on the Grace College campus or online.

† Indicates a course taught by a partner college/university.
