Prospective Applicant:

Calvary Christian Academy, founded in 2011, is a discipleship school located in Silicon Valley. As a classical, Christian school, we primarily seek to disciple students—to instill sound reason and sound faith, realized through a Christian worldview. To that end, we prioritize a valuable community of like-minded individuals. Lastly, we adhere to the time-tested tenets of classical education and Christian discipleship, providing a challenging academic environment which nurtures students as they become men and women of character.

At CCA, we seek to equip teachers, aiding them to cultivate their gift of teaching and to grow daily in a community of like-minded believers aligned to a singular goal: to develop students who will change the world for Jesus Christ. To that end, we are passionate about mentoring young teachers, and have unique resources available. We have on-campus housing available, and we offer training and development for new teachers.

As educators, our primary role is to point students to Jesus. Our work as instructors, guides, and models aims to that end. We are so grateful for the work God has done at CCA, and we thank you for your interest in our school.

As you prayerfully consider God's leading, we wish to provide our definition of classical, Christian education for you. We hope this will assist you in discovering whether your beliefs align with our mission and in discerning God's will for the approaching school year.

Classical Christian education acknowledges the wisdom and beauty contained within the great works of the past, and, through careful study of these works, instills habits of mind and heart which incline and enable students to observe, understand, evaluate, feel, apply, and express Truth. Truth cannot be properly experienced without a conscious reliance upon the gracious empowering of the Holy Spirit and the knowledge that we have been purchased by the blood of Christ. All lessons and ideas must be governed by and in accordance with God's word. The end of all knowledge is the good of the world and the glory of God.

We are accepting applications on an ongoing basis for Lower School (K-6th) teachers and Upper School (7th-12th) teachers in disciplines such as:

- Humanities (including Latin, other foreign languages, and rhetoric)
- Language Arts (Latin, Rhetoric, Languages)
- Fine Arts
- Bible/Theology
- Math
- Life Sciences
- Physical Sciences
- Computer Sciences
- Applied Sciences

Please inquire about your interest in teaching a specific discipline or the availability of openings for the 2022-2023 school year by emailing lmunguia@calvaryca.org or visit our website at <https://calvarychristiansj.org/about-us/employment>. We look forward to providing additional information for you.
