

As a ministry of East Side Grace Brethren Church (member of Charis Fellowship), Grace Christian School has been educating students based on Biblical truth and the Gospel message for over 40 years. We prayerfully are seeking teaching faculty members who have a passion for Christian education, and a desire to impact a generation of young students for God's glory.

We are a preschool - 8th grade school, with an enrollment of over 400 students for the 2022-2023 school year. We have two full-time teaching faculty needs for the upcoming school year: a 2nd grade teaching position and a 3rd grade teaching position. Our website is www.gcsblacklick.org and our teaching application can be found at this link: <https://www.jotform.com/form/201585739747166> .

We have been blessed to have outstanding Grace College graduates as members of our teaching faculty; we strongly embrace and identify with Grace College's commitment to boldly teach the Word of God within a framework of academic excellence. We appreciate the standards of excellence set forth in the College of Education, and we would be honored to welcome more Grace College graduates as members of our teaching faculty.

Please contact Cindy Phillips at 614-861-0724 or cindy.phillips@gcsblacklick.org to discuss teaching faculty opportunities at Grace Christian School.
