TEACHERS FOR 2021-22

Special Education Teacher

Santiago Christian School seeks an experienced Special Education Teacher who can provide research-based best practices for implementing effective support services within established guidelines and standards in the SCS Learning Support Program. The ideal candidate will love Christ, love all sorts of students, and be committed to Christian education as a vocation. Qualified candidates will be able to identify and evaluate at-risk students, communicate effectively with parents, and share expertise with teachers regarding the moderate-need students in our primarily full-inclusion model program. Successful candidates understand or have experience with English as a Second Language immersion strategies in the classroom. Candidates must have an education degree with a U.S. state teacher certification in special education, as well as evidence of an evangelical Christian faith commitment. Two years of experience is preferred, and previous international teaching experience is a plus. Basic understanding of Spanish is helpful, but not required.
