

**Nondiscrimination and Equal Opportunity Policy
Notice for Syllabi**

The Office of Civil Rights makes it clear that sexual violence and harassment are civil rights offenses subject to the same kind of accountability and support applied to offenses against other protected categories such as race, disability, and national origin.

Because we care about the health and safety of our students, if you or someone you know at Grace has been harassed or assaulted, please contact the Title IX Coordinator, Carrie Yocum (574-372-5100 x6491, yocumca@grace.edu, McClain 102).

You can find additional resources about Grace's counseling center [here](#) and Grace's *Nondiscrimination and Equal Opportunity Policy* [here](#).
