# Charter School Full Proposal

---

For New School Operators

For Fall 2023

Dear Charter School Applicant:

In May 2011, House Enrolled Act 1002 (HEA 1002) was enacted by the Indiana legislature and signed into law by Indiana Governor Mitch Daniels. Among other provisions, HEA 1002 established authority for public and private universities to serve as an authorizer for charter schools throughout the state.

Thank you for your interest in applying to Grace Schools Charter Authority, LLC (GSCA) to launch a new charter school. Opening and operating a high-performing charter school requires an enormous investment of time and energy by a school's board of directors, administration and staff, and we are grateful for your desire to serve Indiana's students in this manner.

GSCA is committed to the highest levels of quality for itself and the schools it sponsors. The work of GSCA is guided by four core principles:

- Students First. When performing its duties, GSCA will always assess whether the needs of students are being served in a substantially better way.
- Excellence in Leadership. Operating a high-performing charter school requires excellent leadership from school boards and staff. GSCA will authorize schools that can demonstrate strong leadership at both the school governance and administrative levels.
- High Expectations. GSCA expects charter schools to set high academic achievement expectations and ethical standards for students and staff. Similarly, GSCA will establish high performance expectations and ethical standards for itself and the schools it authorizes.
- Rigorous and Transparent Accountability. GSCA will hold schools accountable for performance through rigorous and transparent accountability mechanisms. In turn, GSCA will be held to a high performance bar by the State Board of Education.

The proposal materials and process described herein draw upon the expertise of successful charter school authorizers from around the country. Each proposal will be carefully evaluated for its alignment with GSCA's core principles and compliance with applicable law. Only those applicants who can demonstrate the capacity to operate high-performing charter schools will receive charters from GSCA.

As you complete the proposal, please feel free to contact GSCA staff with any questions. We are committed to responding in a timely manner and can be reached at [More information can be found on the GSCA website.](#)

Thank you for your commitment to providing a high-quality education for Indiana students.
