Arizona

Grace College meets the educational requirements for licensure.

Board of Behavioral Health Examiners

1740 West Adams Street, #3600

Phoenix, AZ 85007

Phone: 602-542-1882

Fax: 602-364-0890

Email: information@azbbhe.us

Credential Title(s):

Licensed Professional Counselor (LPC)

Licensed Associate Counselor (LAC)

Clinical Mental Health Counseling (CACREP) - Arizona

Licensed Professional Counselor (LPC)

Arizona requires that applicants for licensure shall have a master's or higher degree with a major emphasis in counseling from:

1. A program certified by CACREP or CORE that consists of at least 60 semester or 90 quarter credit hours, including a supervised counseling practicum as prescribed under subsection (E);

Arkansas

Grace College meets the educational requirements for licensure with one additional requirement – see below

Arkansas Board of Examiners in Counseling and Marriage & Family Therapy

101 East Capitol, Suite 202

Little Rock, Arkansas 72201

Phone: 501-683-5800

Fax: 501-683-6349

Credential Title(s):

Licensed Professional Counselor (LPC)

Licensed Associate Counselor (LAC)

Clinical Mental Health Counseling (CACREP) - Arkansas

Licensed Professional Counselor (LPC)

Arkansas requires that applicants for this licensure have an approved master's degree with a minimum of 60 graduate hours, practicum, and internship. The practicum must have a minimum of 100 hours, including 40 hours direct service with clients. The internship/internships must have a minimum of 600 supervised hours begun after the completion of the practicum, including 240 hours direct service with clients.

Additional Requirements

Students must take a 1-hour transcript course on the use of Technology-Assisted Counseling (see state requirements in Section 3.6.e.12, p. 12

[https://abec.statesolutions.us/.](https://abec.statesolutions.us/))

California

Grace College meets most of the educational requirements for licensure but there are additional requirements.

CA students are encouraged to contact the department chair for a guide on how to complete CA requirements concurrently while working on their degree.

Board of Behavioral Sciences

1625 North Market Boulevard, Suite S-200

Sacramento, CA 95834

Phone: 916-557-1208

Fax: 916-574-8626

Email: breeze@dca.ca.gov

Resources:

The following links are helpful for students seeking additional information regarding LPCC licensure in California:

- LPCC Licensure Code: [Law section \(ca.gov\)](#)
- Additional coursework information for out-of-state applicants: [APCC Registration Application OUT-OF-STATE OR OUT-OF-COUNTRY DEGREE](#)

Credential Titles (s):

Licensed Professional Clinical Counselor (LPCC)

Professional Clinical Counselor Intern (PCCI)

Clinical Mental Health Counseling (CACREP) - California

Licensed Professional Clinical Counselor (LPCC)

California requires that applicants for this licensure must have:

- Students with CACREP-accredited degrees must submit syllabi for the following: a diagnosis course (CPY 5250), a psychopharmacology course (not available at Grace), an addictions course (CPY 5650), a crisis/trauma course (not available at

Grace), and an Advanced Counseling and Psychotherapeutic Theories and Technique course (CPY 6000)

- At least 15-semester units of advanced coursework to develop knowledge of specific treatment issues or special populations. (Grace meets this requirement)
- Practicum: Six semester or nine quarter units of supervised practicum or field study experience, including, but not limited to, a minimum of 280 hours of face-to-face supervised clinical experience counseling individuals, families, or groups. (Grace meets this requirement)
- 12-hour course in California law and professional ethics. The coursework may be from an accredited or approved school, college, or university, or from a continuing education provider that is acceptable to the board. Undergraduate coursework shall not satisfy this requirement. An applicant shall complete this coursework before registration as an associate. (Must take this in CA)
- License applicants will be required to take additional coursework required by California, outside their degree requirements– up to 12 semester hours can be remediated while in the associate licensure process (take missing courses in CA)
- California now requires telehealth training, so CA students will want to take the Grace elective course CPY 6110 Technology in Counseling
- California requires additional coursework in Mental Health Recovery that is not currently provided at Grace

Licensed Marriage and Family Therapist (LMFT)

Some CA students in the past have chosen to pursue a Licensed Marriage and Family Therapy license. The LMFT requirements now outline 15 credit hours required in marriage and family and/or systems approach. Grace College has one marriage and family course (3 credit hours). The Clinical Mental Health Counseling program is not designed to meet the requirements of a Marriage and Family Therapy license, although in some states it has met the educational requirements.

Colorado

Grace College meets the educational requirements for licensure.

State Board of Licensed Professional Counselor Examiners

1560 Broadway, Suite 1350

Denver, CO 80202

Certified Adviser (CA)

Agency Affiliated Counselor (AAC)

Clinical Mental Health Counseling (CACREP) - Washington

Licensed Mental Health Counselor (LMHC)

Washington requires a master's or doctoral degree in a field relating to mental health counseling. It must have a core of study relating to counseling theory and counseling philosophy. It must have either a counseling practicum, or a counseling internship, or both, in the core of study. Exclusive use of an internship or practicum used for qualification must have incorporated supervised direct client contact.

This core of study must include seven content areas from the entire list of subsections (1) through (17) of this section, five of which must be from content areas in subsections (1) through (8) of this subsection:

1. Assessment/diagnosis
2. Ethics/law
3. Counseling individuals
4. Counseling groups
5. Counseling couples and families
6. Developmental psychology (may be child adolescent, adult, or life span)
7. psychopathology/abnormal psychology
8. Research and evaluation
9. Career development counseling
10. Multicultural concerns

11. Substance/chemical abuse
12. Physiological psychology
13. Organizational psychology
14. Mental health consultation
15. Developmentally disabled people
16. Abusive relationships
17. Chronically mentally ill

Applicants must complete the subject content form. Official graduate school transcripts must verify course content. If the course title is not clear, applicants will be asked to provide a course syllabus.
