### Grace College – Health and Counseling Services

Grace’s Health and Counseling Services, located in the Gordon Health and Wellness Center (GHWC), provides direct counseling, support, and information for local students who have experienced or are affected by conduct that is the subject of the Title IX Policy. It can also assist in making referrals for employees or non-traditional Grace students who desire counseling, support, or information in their local communities.

Grace’s Health Services provides nursing services, including assessment, triage, and referral for health and medical needs resulting from Sexual Assault.

Grace counselors are available free of charge to students and may be consulted on an emergency basis during regular business hours or by contacting the RD on call. **Please note** that the following resources designated with a “\*” are **Confidential Resources**. Unlike Grace employees who are designated reporters, Confidential Resources on and off campus are not required to notify the Title IX Office of alleged Prohibited Conduct under the Title IX Policy.
