

## **Financial Aid Policies**

Grace College's Office of Financial Aid awards federal financial aid in accordance with the most recent Title IV regulations (<https://fsapartners.ed.gov/knowledge-center>.) The office staff receives training at least three times per year from Department of Education from NASFAA or ISFAA trainers.

Grace College's Office of Financial Aid awards state financial aid in accordance with IN or OH regulations. Currently, these are the only state financial aid awards that Grace College is authorized to receive. Indiana information may be obtained here: <https://scholartrack.che.in.gov>. Only the Akron, OH campus may receive OH state grants. Ohio information may be obtained here: <https://higher.ed.ohio.gov/>. The office staff receives training from the state of Indiana trainers at least two times per year.

Grace College's Office of Financial Aid Awards institutional financial aid per the institution's financial aid policies. Institutional aid is applied towards tuition only and may be applied towards room and board only after approval of senior administration on a case-by-case basis. All institutional aid is determined by Admissions during the admissions process, except for athletic aid. Athletic aid is determined by the coach of the individual sport.

Grace College's Office of Financial Aid administers private/outside scholarships per the guidelines received from the outside entity and in accordance with federal regulations from the Department of Education.
